

Save the day

We are hosting an **Apprenticeship Fair** on **Wednesday 15 June** between 10am – 2pm.

All Wirral Met students are invited to come along to discover the exciting apprenticeship opportunities available with local employers.

This will be the perfect opportunity for students to explore their next steps after College and start a career in their chosen fields.

The fair will take place across three campuses – Wirral Waters, Twelve Quays and Hamilton – and will include employers from a wide range of sectors such as accountancy, business, construction, customer services, health and social care, culinary arts, IT, marketing and more.

Students are asked to bring copies of their CV and any supporting documents to help them apply for live vacancies on the day.

Could you please forward this email to relevant teaching staff, so they can bring students along on the day. Students will also be sent a 'Save a Date' and event reminders via text.

More information will be coming soon! Including a **full list of confirmed employers across our three campuses.**

Kind regards,
Employer Services Team
